

## President's Desk

*A note from new President  
Dave Thompson*

Hi, Folks!

For those of you who don't know me I'm Dave

Thompson, from the Joab Powell (1852) and John H Ritter (1853) lines. I've been a Life member for about eight years, on the board for six, and Treasurer for three. Now, as President, I think we're going to have a fun year!

A lot has happened since the last newsletter – the Rose Festival Parade, the June Board meeting in Baker City, the July Board meeting, and, of course, the Picnic! This newsletter will cover all of them!

I really want to thank everyone who donated to the Rose Parade fund! We had a little problem when the horse & carriage we have used the last few years had to cancel; but Mike Irving and Mel Fuller were able to find the McInnis' with their Clydesdales and excellent wagon to take us in the parade.

Six Clydesdales cost a little more, though, so we had to increase our donation goal amount from \$2,000 to \$2,800 at the last minute. And thanks to everyone who donated, we not only met, but exceeded that, with a final total of \$3,662.26 for the parade!! Thank you all!!

Every year we have seven Board meetings, and they are open to all members. Any SDOP member can attend any of the Board meetings. Two of them (November and January) are just plain, dry, dusty Board meetings. No additional fun. Another two are connected to our two main events each year: the Oregon Birthday Banquet in February, and our Annual Picnic in July.

The remaining three are usually associated with a museum tour, or a site of historical interest. On September 28<sup>th</sup> the meeting will be in The Dalles, at the Columbia Gorge Discovery Center. After the meeting we'll have lunch, and then tour the Discovery Center. There is a small charge (\$6.50) to get in for the tour. Hope to see you there!

## Rose Parade Update

SDOP represented very well at the 2019 Rose Festival Grand Floral Parade! A great time was had by all. The McInnis family did a fantastic job with their team of six Clydesdale horses and wagon.

Everyone pitched in to get everything done and ready to go at Memorial Coliseum at the start. We had challenges with needing boots for the horses to go through the Coliseum with the formal parade, but we found a great compromise to enable us to fold into the parade right as the parade exited the Coliseum and turned right onto Broadway. We even got them to do a special introduction and TV shots off to the side to include us in the main TV broadcast.

Since I was not actually in the parade, but just organizing our entry, I was able to watch from the street as we came through. I heard countless people make comments in wonderment and awe about the tall team of Clydesdales. I walked down the sidewalk to follow our entry toward the end of the parade route. From the reaction of the crowd, we were definitely a "favorite" in the parade. The weather was perfect too, with high clouds, no rain, and no wind.

I'd like to thank everyone for pitching in to make this happen. I wasn't sure we were going to make it with the last-minute changes after our prior horse team declined to support us at the last minute. Miss Pioneer Oregon, Natalie Duetgen, did a fantastic job representing us up high on the wagon bench next to our driver.

I know there's someone out there that would like to be the "wagon master" next year to coordinate, so please let us know and we'll set you up for success with all the templates and processes that we set up this year. Great job everyone!

Mike Irving

## *SDOP Board Meeting Minutes Champoeg Pioneer Pavilion July 13, 2019*

Call to Order: Dave called the meeting to order at 10:27 am.

Roll call:

Board members: Ellie Nelson, Priscilla Belin, Mel Fuller, Janet Wilson, Dave Thompson, Joy Eaton, Chris Meinicke, Dawn Alexander.

Members: Rob Goshorn and his wife Karrie, Brian Dueltgen.

Friend of SDOP:  
Gary Eaton.

### Officer's Reports:

**Secretary:** Dawn read the June Board meeting minutes. Ellie made a motion to approve the minutes. Janet 2<sup>nd</sup>. Motion passed. The April meetings minutes needed to be approved, since we did not have a quorum at the June meeting. Chris made a motion to accept the April minutes, it was 2<sup>nd</sup> and motion passed.

**President:** Dave mentioned that he thinks the year will be very successful. He would like to update the membership application, update the brochure and get into distribution, and work on getting more board members.

**Treasurer:** Dave gave a current treasurer's report. Chris made a motion to accept the April treasurer's report. Mel 2<sup>nd</sup>. Motion carried. Joy made a motion to accept today's treasurer's report. Janet 2<sup>nd</sup>. Motion carried.

**President Elect:** Joy Eaton - Joy commended all of us on the board for the job we are doing.

### Committee Reports:

**Membership Registrar Report:** Priscilla agreed to be the new Registrar, but we need someone as historian. Dave will pick up boxes of stuff. The boxes will go into the storage unit. Our accountant has a larger storage unit and said we can use it at no charge; the historical items can be housed there. The Membership items should be kept at our current unit. Janet volunteered to be Historian. As of Friday, July 12th we have 987 active members including 6 upgraded members that went from yearly to lifetime members.

**Information Technology Committee:** Mel's busy working on transition of treasurer work. Transition to Quickbooks had to be rebuilt but next year's budget will be quick to do after transition. Lindsey is working quickly and hard for members to have access on the website. There is \$3574.00 in outstanding dues right now. Probably need to re-mail dues statements. Dues are overdue on July 15th.

**Social media:** Janet, Facebook- has been putting something on there every day.

**Events Committee: Chris.** Selected dates and places for 2019-2020.

**Membership/Publicity committee:** Joy mentioned that MPO will be in the Pendleton Roundup parade. Newsletter Editor: Chris – The next deadline July 19th-

**Awards and Scholarships Committee:** Dawn will update the application to include parent email and have information updated dates for the college/jr, awards due in Dec. so that can in the Sept. newsletter and on the website.

**Cookbook Development Committee:** Janet still working on making the recipes

**Correspondence Sec.:** Chris donations will be listed in the next newsletter

**Trading Post:** Reggie Only 1 pack of notecards, want to know if order or print? Not much of a request to purchase them so Reggie will just print when needed.

### Old business:

- Dawn would still like the 1876 Board Meeting book, at the agreed \$25 price. She paid for and received it today.

### New Business:

- Mis-read topic in June meeting - need to discuss again; this is really for 2020: Joy asked that the board consider allowing current MPO to ride in the Elgin Stampede Grand Parade next year (2020) as MPO. It seems that her grandfather lives close enough to come and would very much like to see his granddaughter in the parade. The board agreed that any MPO that would like to represent SDOP in parades would be a great opportunity.

- Janet mentioned she received a very nice thank you from Mrs. Hutchins aka Mrs. Pittock... loved working with us and enjoyed being in the parade. Joy made a motion to adjourn the meeting, Priscilla 2<sup>nd</sup> the motion. Meeting was adjourned at 11:59 am.

And off to the picnic!

## Board Positions Available

SDOP needs your help to continue our mission of preserving Oregon's history for generations to come. There are several open board positions, and we would like to see some new faces in them. Please consider volunteering for a board position and help guide the SDOP journey. Call or email Dave Thompson if you would like to be a board member of this great historical organization. Dave's contact information is: 503-860-1308 or email: [dave\\_tek@yahoo.com](mailto:dave_tek@yahoo.com).

#### The Pioneer Spirit

Pioneers never knew what to expect on the Oregon Trail. All they knew for sure was that they would face lots of challenges. Having the pioneer spirit meant being brave, cooperative, adventurous, and determined. Pioneers had to be ready to solve problems quickly. I think the pioneer spirit means to be willing to face a challenge even when it seems too hard and being willing to try new things.

Many different kinds of people traveled together on the Oregon Trail. There were families, farmers, miners, traders, store keepers, trappers, young people, middle aged people, and old people. Even though they weren't all friends, they had to find a way to cooperate with each other.

The lesson that the pioneers showed people of today is how important it is to look past differences and find a way to work together. They also showed us that we can accomplish what seems impossible. Pioneers showed us how getting along with others and helping each other helps our society be stronger. These people were willing to work hard so that they could have a better life. Americans can look back on the pioneer way of life and tell themselves that they can work hard, too, so that they can have their best life. The land that the pioneers came to had many different characteristics. There were coastal areas, fertile valleys, and deserts. This variety made a special country. The pioneers came from many different places in life, but they also came together to make something special.

Joe Meeks was one of the earliest pioneers to escort a wagon over the Oregon Trail. He's a good example of the settlers who were brave and determined enough to travel

to Oregon. His neighbor said, "He was as brave as Julius Caesar." On his way from Virginia, he fought Indians, was attacked by a grizzly bear, and the people on the wagon train had many hardships. (Knudson, Dirk, The Tualatin Plains, History Revealed "Oregon Journal", March 13, 2018) Joe became a well known mountain man and trapper. Eventually he settled in the Tualatin Valley, which is where I live. He became an important politician who helped the Oregon Territory become a state. He went to Washington D.C. a lot and knew President Buchanan. He did a lot of interesting things but made a lot of sacrifices. Joe Meeks showed me a lot about what the pioneer spirit was like.

Today you can still be a pioneer if you want to. You can explore space and the oceans. You can also study medicine and find new ways to cure diseases. There are still ways to be a pioneer if you are brave and determined enough. I hope to be like the Oregon pioneers and do something exciting with my life.

### 2<sup>nd</sup> Place - Henry Shaw

The Oregon pioneers were of a very strong willed, brave, and hardworking nature, and have taught us many things. Perhaps the most important lesson we've learned from them is that anything is possible, if you really put your mind to it.

The pioneers worked together with a beautiful sense of community to overcome the hardships they faced under all sorts of challenging circumstances. Even when food went meager, and death and disease threatened them, they still worked hard towards their goals, and in the end it paid off. The pioneers who persevered and kept on through the long hard journey to Oregon were rewarded by Oregon's fertile and rich land. The Oregon pioneers worked through the hardships they faced, not only for the

benefits of themselves, but also for the benefits of us today.

The Oregon pioneer's determination towards goals affects us today because it inspires us to work hard towards our goals in life and to never give up, no matter what. The pioneers were touchingly determined to make the world a better place and inspire us today to go out into the world and help make it a better place ourselves.

I feel that the pioneers are a good example of how no goal is impossible because they never gave up, even when all odds were against them. Being a pioneer is rough. Just listen to what author Alfred Sloan had to say: "there has to be this pioneer, the individual who has the courage, the ambition to overcome the obstacles that always develop when one tries to do something worthwhile, especially when it is new and different." <sup>1</sup>

The Oregon pioneers are a very important part of our history. They helped spread out the western population and brought new religions and cultures along with them.<sup>2</sup> Without their hard work and integrity, we wouldn't be close to the thriving civilization we are today.

The pioneers kept on going when they were laughed at, kept working hard towards their goals through all the many hardships they faced, devoted themselves to others, and never gave up, no matter what. They broke the boundaries of what was thought to be impossible in want of a better life and were willing to leave behind everyone and everything known to them in pursuit of discovery. The pioneers were hard workers and are good role models for us today. Everything about the pioneers inspiringly shows that with great determination towards goals, anyone can change the world.

The Oregon pioneers' way of achieving goals inspires all. Their touchingly brave way of life touches many and their determination towards goals affects us today because it shows how even the hardest goal can be achieved if you believe in yourself and have faith. Their brave, hardworking spirit lives on in the blood of their sons and daughters forever.

### June 22, 2019 Board Meeting and tour Baker City, Oregon

We had a great informational meeting with Debbie (Member) and her husband Mark Pedersen Join us for the Meeting. Helen Sargent, Life Member, joined us at the National Historic Oregon Trail Interpretive Center for the tour.

Merle Miller presented Dave Thompson with his President's Pin, the SDOP pin with a Gavel attached.

The guided tour at the National Historic Oregon Trail Interpretive Center was Excellent and I think all enjoyed the tour.

There are many wagon ruts at this museum location on Flagstaff Hill.

**SDOP Board Meeting Minutes  
Baker City, OR  
June 22, 2019**

Janet could not make it to this meeting, so Dave Thompson (Treasurer) called the meeting to order at 10:15.

We do not have a quorum, so this is an informational meeting.

**Officer's Reports:**

**Secretary's Report - Dawn**

Dawn not in attendance, so last meeting's minutes were read by Chris. No corrections.

**President's Report - Janet**

Janet emailed her report:

Dear Board members:

Thank you for allowing me to be your President for the last few months. It has been an honor to serve as president twice. I am so proud of this board and all that has been accomplished in such a short time. We overcame some difficulties and came out better than ever. I was so proud to see the wagon in the Rose Festival parade 😊!

So now... I pass the gavel on to the very capable hands of Dave to lead us on down the trail for the next year.

Please take lots of pictures and come home safe...

Janet

#### Treasurer's Report - Dave

Dave went over the May Profit and Loss statement and the Actual to Budget Performance report. We look good. We are \$3,249.77 under budget at this point, but the bulk of the Rose Festival expenses occur in June, so will show up on the next report.

Chris (as newsletter editor) said we will show in the next newsletter that we did make the goal for the increased Rose Festival Parade expenses.

#### Committee Reports

**No Reports:** Nomination, Social Media, Publicity, Trading Post, and Public Relations.

**Registrar's Report:** Merle reports that we've received many new requests for new membership. However, after being on the board for 27 years, and as Registrar for 15, he is resigning as Registrar as of the SDOP picnic, July 13. Chris suggested advertising in the next newsletter for a new registrar, and Dave suggested an email blast.

**Information Technology Committee:** Mel reported that QuickBooks shows there is \$4,811 in outstanding dues. Dues statements have been sent out, and for the first time some dues payments were received the day after the statements were e-mailed! Lindsey Hollinger is doing a great job as Curator; Mel may rely on her more as he takes on the Treasurer's position.

**Events Committee:** Chris handed out a list of the months we're meeting and asked that we bring suggestions for possible dates and meeting places to the July meeting, since that's our yearly kickoff. She also handed out some location suggestions.

**Newsletter Editor:** Chris reminded us that the deadline for submissions is July 19<sup>th</sup>; the issue

goes out in late July. We will include the first part of the Lifetime Member list; we ran out of space for it in the last newsletter. The next newsletter will cover this board meeting and the Picnic, so it might run an additional 4 pages.

**Awards and Scholarships Committee:** Dawn sent an e-mail saying we had 1<sup>st</sup> and 2<sup>nd</sup> place winners for the Fourth Grade Essay Contest. One is from Tualatin and the other is from Newberg. They will be presented at the Picnic, but one winner might have a conflict.

**Cookbook Development Committee:** Janet e-mailed a report: "I have started testing more recipes for the cookbook. I have also asked Pricilla to join my committee."

**Correspondence Secretary:** Chris says we received many donations (at least 25!) since the last newsletter; she has sent thank-you notes to some of them and is working on the rest.

**Digitizing Committee:** Dave got the boxes of scanned applications from Marsha to give back to Merle. But, now that Merle retiring as Registrar, we decided to put them into storage. We cannot access the school to start scanning the A-F active applications until July but will try to have them finished by the picnic. Mel asked that we try to make them scan in portrait mode instead of landscape.

**Rose Parade:** Mel shared the Rose Parade participation plaque. He also proposed that we send a certificate, using a picture of our wagon in the parade, to each of the people that donated to the Parade effort.

#### Old Business:

- If Dawn does not want the book that was donated by Mr. & Mrs. Dudley, Merle would like 2<sup>nd</sup> opportunity
- Joy had asked that we allow MPO to ride in the Elgin Stampede Grand Parade, so her Grandfather could see her (he lives close to Elgin); attendees of this meeting thought that was a good idea and would be better publicity for SDOP than her attending the Picnic

**New Business:****Picnic:**

- We need to send out information about the Picnic
  - Mel will do e-mail notifications
- We have a Speaker, Richard Cassidy. He will portray a Steamboat River Captain. He volunteers at Vista House and Champogeg, among other places
  - Pay - We can offer to pay him or donate to a State Park of his choice
- We need to pull supplies from storage ahead of time, and verify what we still need
  - Don't think we need plates or plasticware, but will check
  - Probably do need new tablecloths
- Chris does need help with setup
- Drinks:
  - Coffee – Ellie and Noel? Priscilla has offered to drive them
  - Lemonade and Water – Dave & Terry
- Sound system – Dave & Terry

**2019-2020 Officers**

***Leave a Trail of Breadcrumbs  
For Your Family***

I have been looking for breadcrumbs for my ancestors for over 30 years. I remember stories both my father and my mother could remember from when they were kids or young adults. Some of their stories were true and some had a crumb of truth that led me to fact and eliminate the questions along the way. As I have traveled both far and near, I have found so much great information and was so excited until I found the fact that proved it to be part truth.

In recent years our medical practitioners have started to document our medical histories. But as we had maybe changed doctors or gotten treatment elsewhere when not at home, I have found it more and more difficult to remember just what I had or had happened along the

way. A few years back I had to try to organize what I could remember to add to the records. Earlier this year (2019) I found a baby book my mother kept for me and one she kept for my brother. Inside of both books were many facts written at the time that my brother and I have both found out about ourselves. Thank goodness for some of it because the records showed we had both had the measles and lessened the concerns with the local breakouts in the Oregon and Washington area.

Along the way on my research trail I would ask my brother (who is 6 years older than I am) about different things. As they say in the law, if you have 4 witnesses you will get 4 stories or IDs and the like. So it was, with my brother and I. I have found the same thing with my 2 sons who are only 2 years apart.

There are so many events and activities in life that we hope our kids and their kids will grow to appreciate as they grow up. Unfortunately, we assume they will remember. Unfortunately, we hope we will remember. Unfortunately, no one remembers, and history of our family is long forgotten.

I want to strongly suggest if you have not done so in the past, start a diary or even just a short list of events (good or bad or just interesting) of your past and add to it from time to time. Make sure you leave a copy for your family where your executor can find them and share with your family. Make sure to leave it for family that is not as close as they would like to be.

A couple of years ago, due to some incorrect information in Ancestry, made contact with the great grand daughter of one of my favorite Aunts (my Dad's younger sister) who was only a year older than my Mom. I had never met my Aunts daughter even though we lived in the same city (Portland) because of our age difference (17 years). She had gotten married and moved away while I was just a toddler. Through this contact I was able to meet her twice since she now lived on the other side of the country in Florida. What a loss over the years. I was able to meet her son and daughter in Florida as well. I have yet to meet the great grand daughter who made this all possible. So keep in mind that bad or incorrect information can lead to some great results.

A family member recently made contact with two long lost Uncles. They were able to share information that helped them all grow closer. The lack of contact was due to a much earlier divorce between the parents of the Uncle's and the family members Grandmother. Again, time and distance kept them from knowing each other for all the years. Keep that in mind also when people become separated. Reach out a hand and you could find a warm and loving hand reaching back to you. As Pumba in the Lion King once said: put your past behind you. Bury the bad and look forward to sharing what was good. Share the crumbs with family and we all have a future to enjoy.

## Two ways to automatically donate to SDOP:

Log-in to Amazon using SDOP's landing page:

<http://smile.amazon.com/ch/23-7455151>

SDOP will receive a 0.5% donation from Amazon on your eligible purchases with no additional cost to you.

And:

You can help earn donations just by shopping with your Fred Meyer Rewards Card!

Fred Meyer is donating \$2.5 million per year to nonprofits in Alaska, Idaho, Oregon and Washington, based on where their customers tell them to give.

Here's how the program works:

- Sign up for the Community Rewards program by linking your Fred Meyer Rewards Card to SDOP [www.fredmeyer.com/communityrewards](http://www.fredmeyer.com/communityrewards). You can search for SDOP by name or by our non-profit number 86878.
- Then, every time you shop and use your Rewards Card, you are helping SDOP earn a donation!
- You still earn your Rewards Points, Fuel Points, and Rebates, just as you do today.
- If you do not have a Rewards Card, they are available at the Customer Service desk of any Fred Meyer store.
- For more information, please visit
